Corner Position in Prime Location

Situated on a prime corner lot, this exceptional, fully renovated family home is a fantastic opportunity to enter the property market, with outstanding potential for future development (S.T.C.A.). Featuring three spacious bedrooms, this home offers sun-drenched, expansive living areas that seamlessly flow into a low-maintenance outdoor entertainment space, with abundant storage inside and out.

The interior showcases three generously sized bedrooms with built-in wardrobes, stylish tiled flooring, an open-plan kitchen with gas cooking and ample storage, split-system air conditioning, a modern bathroom, and a convenient internal laundry.

A standout feature is the garage and carport, which can easily double as a teenager's retreat, rumpus room, or a self-contained granny flat—perfect for extended family accommodation or an additional rental income stream (S.T.C.A.).

Ideally located with the bus at your door along with walking, shopping centers, multiple local public schools, and beautiful parklands, this home presents an unparalleled opportunity. Whether you're an investor or a family looking to secure a piece of Heckenberg, this property is an ideal choice.
