Serve up a lifetime of memories at 96 Butler Street

Step into this beautifully presented home, perfectly balanced to offer comfort, style, and functionality. From the immaculate designer kitchen to the three spacious bedrooms and the inviting poolside entertainment area, this property is nothing short of a dream!

The kitchen is the star of the show—an entertainer's delight featuring a dishwasher, an enormous gas cooker, ample bench space, and soft-closing cupboards and drawers. The massive island bench seats at least four, making it the heart of the home. Truly, one of the finest kitchens in Mount Isa!

The beautifully renovated bathroom is a standout, boasting a standalone tub and a separate shower. Adding convenience, there's a cleverly designed second bathroom with a shower and toilet in the shed, providing easy access from the pool and entertainment area. Absolute brilliance!

All three bedrooms are generously sized, each equipped with built-ins, split-system air conditioning, and fans. At the end of the wide hallway, you'll find a spacious lounge room, perfect for the comfiest couch and a large TV. The home also features a stylish internal laundry and a stunning oversized feature front door that adds a touch of grandeur.

The outdoor spaces are equally impressive, with a poolside entertaining area and a second undercover BBQ spot, perfect for hosting friends and family. Storage is a breeze with a HUGE shed divided into three sections and a double carport, all on a fully fenced, private block.
