Peak Hill Cottage in Prime Location

This cozy, recently updated cottage combines country charm with modern convenience, nestled just a short walk from Peak Hill's CBD and town amenities.

Property Highlights:

- 3 comfortable bedrooms & 1 modern bathroom
- Gallery-style kitchen equipped with plenty of storage and workspace, conveniently connected to two versatile living areas for seamless entertaining and family time
- Generous covered back verandah, perfect for outdoor dining, relaxing or hosting gatherings
- New external buildings that include a studio, single garage and front carport, adding valuable extra space and functionality
- Fully fenced private backyard offering security and privacy

Additional Features:

- Reverse cycle air conditioning units and ceiling fans for year-round comfort
- Solar power system for energy efficiency
- Single Carports at the front & rear of the property, plus back lane access

With its charming features and unbeatable location, this cottage is an inviting haven that offers the best of both comfort and convenience. Contact Tania today to arrange your inspection and see why this lovely home is perfect for you!
