Breathtaking Views and Modern Luxury

Perched high atop one of the highest points of the island, Jasmine House offers breathtaking southern views and a unique living experience that blends modern luxury with a homely feel. Recently renovated and meticulously styled, this stunning property boasts spacious, light-filled interiors, featuring four beautifully appointed bedrooms and three sleek bathrooms. The master suite serves as a true sanctuary, complete with a private en-suite and a balcony perfect for soaking in the ocean views. Three additional bedrooms provide ample space and tranquility, each thoughtfully designed for comfort and style.

The expansive kitchen is a masterpiece of both form and function, designed for effortless meal preparation and elegant entertaining. It's an inviting space that transforms every culinary experience into a pleasure.

Step outside to discover an expansive outdoor entertainment area, featuring a large sparkling pool and generous decking. Whether lounging by the pool or entertaining guests, this space is designed for relaxation and enjoyment.

Jasmine House seamlessly blends indoor and outdoor living, with floor-to-ceiling glass doors that fill the home with natural light and showcase stunning views. The unique layout ensures privacy, with distinct areas for relaxation, dining, cooking, and entertaining. Every detail has been thoughtfully crafted for the discerning buyer who values both style and function.
