Co - Living from \$821,000

Step into the future of property investment with this innovative Co-Living home design, created to maximize your returns with minimal hassle and a low entry price point. This carefully designed floor plan features 4 spacious bedrooms, each with a private ensuite and toilet, offering tenants the privacy they crave while ensuring maximum rental appeal. The open-plan living area provides a modern, shared space for connection, and the addition of a separate powder room for guests adds to its practicality and charm.

Why Choose Co-Living? This unique approach to shared living meets the increasing demand for rental options that balance privacy with community, making it perfect for professionals, students, or shared households.

Key Features:

- ☑ Purpose-Built for Investors – A high-demand, high-yield rental model that attracts long-term tenants.
- ☑ Turnkey Solution – Fully rent-ready with premium finishes, fixtures, and landscaping included. Simply choose from three curated colour palettes to suit your style.
- ☑ Low Maintenance Design – Built for longevity and ease, reducing upkeep costs for landlords.
- ☑ Proven Rental Demand – Ideal for renters seeking modern, private living combined with shared spaces.
