## 5 YEARS YOUNG - TOTALLY SELF SUFFICIENT

Totally tucked away on 7 acres sits this near new two-bedroom two-bathroom home. You have plenty of space around the home for loads more fruit trees and to make way for a supersized shed if you need one.

The home has been designed and built to be totally self-sufficient with both power and water run from a Victron 5.4kw solar system, with eight back up lithium batteries, the bore pump at the front of the block also has a separate solar system.

The home is bright and airy and a great floor for the size of the property, you also have an extra-large lock up garage for the longer cars, or it can be converted to another living area or bedroom if so desired.

The location of the property is on a very small boutique estate with peace and privacy being the main objective. This rock solid new build is definitely a pocket pleaser so please do not hesitate to contact Sonia Poole 0407 028 388 for your private inspection before we put a SOLD sign up!
