Absolute Oceanfront... Once in a lifetime dream come true!

Rare home site with direct beach access, first time on the market in 3 generations.

Presenting a very rare, world class opportunity to have your dream home, located directly on the coastline in arguably one of the finest beachside suburbs.

Surround yourself in the tranquil beauty that is absolute waterfront. The property is bordered on one side by reserve and parts of the remaining rainforest from the pre cedar-felling days, whilst the front yard is directly onto the golden sands of Easts Beach. The property offers direct access from your front yard to the pristine shoreline, where you will often spot dolphins playing and whales during migrating season.

Offering stunning, uninterrupted views of the picturesque sea overlooking Easts Beach and beyond with a lush escarpment background, this exceptional property offers 5 bedrooms, 2 bathrooms. Use as is, renovate, or rebuild.

Whether you're swimming, diving, fishing, body boarding, or just strolling on the water's edge, this location offers the ultimate in seaside living and is the perfect parcel of land to realise your oceanfront dreams.

Imagine watching the crashing waves as the sun rises or taking a stroll along the shoreline at dusk. Fall asleep to the lulling sounds of the waves as they lap on the shore. The choice is yours – enjoy the enviable views from within your own property, picnics on the edge of your yard or building sandcastles just steps away, all with the most magnificent views and tranquil coastal setting.

Situated on a highly desired oceanfront block, right in the middle of the world-famous Kiama to Gerringong Coastal Walk. The property is only minutes to Kiama's main street & shopping centre as well as the beautiful harbour, parks, restaurants and cafes.

Live the ultimate coastal dream, where you can build the life you desire!
