HUGE BLOCK IN TOWN

Here is a great opportunity to purchase just over 26 acres of land in the township of Donald. The property runs down to the Richardson River and is Township and Public Conservation and Resource Zoned with a large section of the block covered by a floodway overlay. Some of the high ground would be arable land but better suited to grazing and the balance is a mix wetlands, standing timber and heavy grey soil. The property has 3 vehicle access points, a townwater connection and the sewerage mains is also on the property. This is quite a unique property with plenty of scope to develop and expand as you see fit all while being close to the heart of town.
