CORNER BLOCK IN GREAT LOCATION

What a fantastic opportunity this parcel of land offers! With its corner location and level terrain, you have the flexibility in your design and layout when its time to build.

The scattered trees not only add aesthetic appeal but also provides nature shade - perfect for temporary setups like a camper van. Tall timber fencing also accompanies two of the boundaries already.

Proximity to Lake Victoria is a huge plus, with easy access via the walkway on Thriptomene Street, making it ideal for outdoor enthusiasts. With a short walk to the heart of town where your local supermarket, playground, cafe, doctors, pharmacy and much more is found, you seriously cannot go wrong with the location of this block.

Given its attractive pricing and potential for development, it's definitely worth checking out before it's gone. Contact our office for more information today!
