Country Living...

Situated in the rural area of Pirron Yallock, this 2571 square metre block offers a unique opportunity for those seeking country living with functional amenities. The property features horse shelters, a bore and pump, and a large water tank, providing a reliable water supply for various needs. With township zoning, the land offers flexibility for different residential or semi-rural uses (STCA).

The adjoining house and land add further appeal, creating potential for expanded living arrangements. This well-equipped property combines the charm of rural living with practical infrastructure, making it a rare find in the region.
