Woollybutt Way Vacant Block

Come and join many others building in this new estate.

This vacant block has many options awaiting a new buyer.

Its close to Tathra but has the flexibility of 2.5 acres to build on.

Sealed road access.

Build a decent sized men's shed, put in a covered veggie garden, then plant out the block with native trees & soon it will be paradise.

Build on the lower part of the block or choose to build up a bit higher and get a view over the Tathra Golf course and beyond.
