Large Affordable Block in Stunning Leith!

This amazing block set in the ever-popular Leith is something that is rarely seen!

The beautiful ocean views from this block are absolutely stunning and would make the perfect site for a forever home!

Leith is perfectly located between Devonport and Ulverstone and boasts some truly spectacular views of the ocean, farmland and bushlands. Alongside the stunning views is the beautiful river side beaches and local surf hot spots!

The larger size gives this property the ability for a generous sized home, a large shed and ample space for the kids or pets to run around and enjoy the outdoors.

This property is connected to town water and power but will require an onsite septic system, we are expecting titles to be achieved by late summer/autumn 2025.
