By The Sea And Ready To Build!

Offering a unique opportunity in the charming seaside village of Tuan, this 2,000m² allotment is all set and ready to go for your dream home to be built!

It is here you will enjoy the cool sea breezes whilst being only a moment away from the all-tide boat ramp at Tuan which opens your world to the fisherman's playground that is the Great Sandy Straits.

Already on the block is a fully insulated shed, complete with power, plumbing and modern ensuite, along with 2 x 5000 gallon rainwater tanks, enviro septic system, garden shed and well planned native gardens.

Whether you are looking to invest in a seaside block for your future home, or simply have the perfect weekend getaway, this opportunity should not be missed!

At A Glance:

- Approximately 2,000m² vacant block
- Bio Septic System
- Rainwater tanks x 2
- Fully insulated 7m x 7m shed with ensuite, whirly bird, power, plumbing and gas hot water
- Established gardens complete with mostly native plants
- Pizza Oven
- Garden Shed
