Great location zoned Township. Whether you want to apply for a business, office space or just would like to build a nice home where no car is needed because you are only a moments' walk from vibrant Kuranda Village. This 2003m<sup>2</sup> block has a lovely tranquil backdrop, no neighbours at the rear or on one side and already has a driveway and good-sized pad already cut in and ready to build on! All the hard work has already been done, just design your home, and let's not forget ALL town amenities are supplied in the Township centre. Ready to build - Set to sell.
