### **Corner block with options**

This corner block is ideal to build your home on if looking to also build a shed with good access.

Primary school, day care, an awesome bakery, local shops and services all provide this community with what you need for a quiet country life. If you need something more than you are only an hour and 10 mins away from Geraldton and a quick 40 mins to Dongara.

The bonus with this block is that the seller can offer an exclusive opportunity to work with you to have a shed/home built on the property if this is the style of home you would be interested in. They are able to offer a fairly reasonable build time so you could be in a brand new home of your own for an affordable price.

Photos are for illustrative purposes of what could be built on the block.

More information can be obtained by calling Michelle on 0438 680 668.
