517 Oakden Road boasts the advantage of being able to offer titled land in early 2025. Relax into a bayside community and surround yourself with rolling pastures and fresh coastal breezes. Poised across a sensational, elevated position, many of the allotments offered capture uninterrupted views across Corio Bay to the You Yangs.

Currently under construction, this magnificent site is located 20 minutes to Geelong, 90 minutes to Melbourne, or catch the ferry from Portarlington to Docklands in 1 hour. Walk to Drysdale Primary School, Drysdale's shopping precinct or take a very short drive to Bellarine Secondary College and Saint Ignatius College.

Things are progressing quickly on site, with Wellam Constructions at the helm, we're confident of completion in 2024 and delivering titles in early 2025.
