Type: Land

Large 2187m2 Building Allotment with Great Views

We are excited to offer this generously sized 2187m2 elevated, northeast facing building allotment.

It is ideally located within the town offering many potential home sites with spectacular views over the town and Briseis mine hole. The property has been recently surveyed.

Zoned village, it has a multitude of potential uses, with bitumen road frontage to Allan Street. Right of way access from neighbouring property provides for a low-cost easy access point onto the property from Allan Street.

Mains electricity and town water are close by.

Enjoy a short stroll to nearby hotels, restaurants, the mountain bike trail head, pump track and sauna.

Derby is located around 95km from Launceston and 34km from Scottsdale.
