Type: Land

Flat, Fabulous, and Next Door to a Conservation Block!

This is the perfect flat block to create your new family home! Located in a quiet street in the south of Russell Island, it is conveniently close to boat ramps and recreational areas. Power is available and water is on the same side of the street. The block is fenced on one side and there is a Council conservation block right next door at number 27. There is one larger tree to the rear of the block which won't impede your build.

For affordable living close to a capital city, come and see what Russell Island has on offer.
