AMAZING OPPORTUNITY TO ACQUIRE PRIME LIGHT INDUSTRIAL BLOCKS IN TRIABUNNA

We're thrilled to showcase Lots 2,3,4,5 and 6 in a highly desirable area!

These lots are completely enclosed on three sides, easily accessible through a well-maintained road, and are situated just 200m away from the Tasman Highway.

Additionally, they're conveniently located close to essential services, with power, phone, and water available along the front boundary. The road frontage is set to undergo an upgrade and seal, which is the perfect finishing touch!

Lots 2 through 6 are approximately 1000m² and are zoned for Light Industrial use. They can be purchased separately or as a fantastic package deal.

They're in an excellent position with frontage on Meredith Street, providing easy access to the main Tasman Highway.

Potential for establishing warehouses, distribution centers, manufacturing facilities, or bulky goods showrooms (STCA).

Don't miss your chance to purchase these lots!
