Over Six Acres to Build Your Dream

There is more to this property than meets the eye. On first glance, from the road, it just looks like an ordinary farm block, but a closer inspection will reveal a hidden oasis. When you venture further into the property, a cleared house site with water tanks is at the front of the property and is an ideal opportunity to build your dream home. A leafy rainforest walk leads down to a bridge crossing a freshwater stream that meanders past an orchard filled with established tropical fruit and citrus trees.

Just past the orchard the property opens up to three large, fenced, grassed and flat paddocks with a large dam and cattle yards. Further on the property, there is approximately 50 metres of rainforest and lagoons that make up the back boundary.

Other features of the property include:

- 9m x 6m bay shed with power and water
- 6.1* acres with around 2 acres fenced for livestock
- 40,000L* (9,000gal*) rainwater storage
- Creek, dam, and old bore site (not in use)
- Located on a sealed no-through road

This property is just the right size for the family wanting to do hobby farming or just enjoy a rural lifestyle to raise the family on.

Located just a few minutes to the sleepy township of Peachester with its primary school, coffee shop and produce store, and with the township of Beerwah, the hub of the Hinterland, close by for all your shopping needs, this beautiful location is highly desirable.
