## **Large Block in Sought After Area**

This block is situated at the end of a quiet cul-de-sac, within a very short walk to the many shops & services Dodges Ferry provides, with a doctor's surgery, butcher, chemist, Hill Street Store and more. A choice of beautiful beaches to take a walk on or a dip in the Summer and a recently upgraded boat ramp with great waterways to explore, and the list goes on.

With homes becoming harder and harder to purchase, this block awaits for you to build your first or forever home in this very popular Southern Beaches area. Escape the city and enjoy the relaxing beach lifestyle this area provides.

Around a short 10 minute drive to Sorell township.
