Elevated & Cleared 587m² Block - Coastal Living Awaits

Discover the perfect opportunity to build your dream island home on this elevated, fully cleared 587m² block on Coorong Street, just one street back from the water. With a gentle slope from front to back, this parcel offers the possibility of water views and cool ocean breezes from a two-story home. Nestled in a peaceful neighbourhood with sealed street frontage, you'll enjoy the quiet charm of island living, with convenient water access just around the corner at the bottom of Coorong Street. The block itself has good soil which is defined by some of the surrounding gardens.

Located in the sought-after northeast area of Macleay Island, this property offers the ideal balance of natural beauty and modern convenience. Enjoy serene parkland-style spaces throughout the residential areas, perfect for those who value a connection to nature. Macleay Island has all the essentials—shops, cafes, doctors, dentists, a primary school, and early learning centre—making it a popular choice for those looking to embrace the island lifestyle. Surrounded by abundant flora and fauna, this is a perfect location for an island getaway or future retirement plans.

Call Debra on 0438 474 663 for a private viewing and experience the potential of this exceptional block first hand. Complimentary pick-up from the ferry terminal is available.
