Camena Corner Position

Positioned in a highly desirable area on Macleay Island, this cleared 637m² north-facing block offers an elevated setting perfect for capturing cooling bay breezes. Conveniently located near the main shopping area, ferry terminal, and golf club, this block provides easy access to essential amenities while allowing you to enjoy the tranquility of island life.

North-facing for optimal sunlight and breezes

Close proximity to the main shopping area, ferry terminal, and Macleay Island Golf Club

Elevated position, ideal for bay breezes and scenic views

Suitable for the astute buyer planning for retirement or future investment goals.

Whether you're planning your retirement dream home or looking for a solid investment, this block offers a rare combination of convenience, lifestyle, and future potential. Don't miss this chance to secure your place in this charming and growing community.
