\$269,000

You will love the views from this 1,015sqm vacant building allotment. The outlook over the township of Nairne toward the Mount Barker Summit and surrounding hills is simply stunning! A fantastic location on Webber drive amongst newly constructed homes. Available services include mains water, power and common effluent connection. Design and build your dream home to suit the contours of the land. Only a short walk to Bythorne Park featuring a picturesque lake, undercover BBQ area and a great nature playground for the kids. The Nairne main street is full of life and bustling with activity. There are a few Cafes to choose from, the District Hotel with a great family menu, lots of speciality shops and businesses including a new Foodland supermarket. A great community and an even better place for your family to live! Tom Weston
