5 Old Honiton Road, Edithburgh, SA, 5583

Type: Land

Matt Easther  
0409011212

## **Value for Money**

A fantastic block of land located to the south western edge of the township. Power is available and water is already connected. Dimensions 15.24m x 60.96m.

Boat ramp is a very direct route being a straight line 730m up the road and into the water.

Opportunities to buy land under \$100k are scarce. Drop a neat transportable here and you might find yourself out on top already!

Owner will give the successful purchaser the first option to buy the adjoining vacant block #3 for the same price (purchase to be executed simultaneously with singular buyer only).
