## **Lovely Bush Setting close to Binalong Bay and Beyond**

Rare offer with same owner for around 40 years. Private acreage located only minutes' drive either way to the magnificent ocean beaches (including to the Bay of Fires) at Binalong Bay and the secluded part of Georges Bay carrying on to the St Helens township. A creek meanders through the property and there is an undulating track from the road to the back area of the lovely bushland. There are several building spots (STCA) ideal to erect a weekender or a permanent dwelling. Contact Tom today for location and title details.
