LAND BANK FOR THE FUTURE!!

Take advantage of this opportunity to build your ideal home on a spacious 841m² (approx.), perfectly positioned in the fast-growing township of Wyee.

Located on the Central Coast midway between active and diverse regional centres such as Tuggerah and Morisset.

Part of the promising Wyee Paper Subdivision which is zoned Residential, there are no building entitlements until sewer and water services are connected. The land is designated for low-density residential use, allowing for numerous design possibilities.

With the recent development in Radcliffe Estate adjacent to the subdivision (which are now selling for over \$550,000) and the recent expansion of the Wyee Town Centre - these blocks could be highly sought after in the years to come.

For recreation and leisure, Cedar Mill Morisset is a planned tourism, cultural and event space which is due to transform the old Morisset Country Club site in the heart of Morisset. The entire precinct cover a total of 72ha and will be broken into a number of categories - concert venue, cafes, restaurants, a hotel, an aqua park, and a retirement village for over-55s.
