Fantastic Rural acreage block with 210 metres of road frontage

Looking for a quiet rural location on small acreage, yet still want the kids to be able to walk to the shops and school? This rural block is close to Moonta's Town Centre and just a short drive to our beautiful beaches.

This block could be what you have been looking for, with over 1.4 hectares (3.3 acres approx) and 210 metres of road frontage. It has power connected to the block and water meter as well. There are no time frames to build here.

Go for a drive and see the large multi million dollar homes that have been built in this area. The kids will have room to move and have fun and walk to and from school. Build your dream family home and start living that rural lifestyle today.
