Type: Land

This stunning rural block in peaceful Urila is just a 30-minute drive from Queanbeyan and conveniently close to the Monaro Highway.

If you're looking to escape the hustle and bustle of suburban life for a relaxed country lifestyle, where you can raise animals or cultivate your fruits and vegetables, 70 Naylor Road Urila must be on your list to inspect.

This stunning rural block in peaceful Urila is just a 30-minute drive from Queanbeyan and conveniently close to the Monaro Highway, providing easy access to Canberra and the Snowy Mountains. Set in a quiet cul de sac, the road is sealed, and the property overlooks neighboring fields and distant mountains that surround the valley.

There is a really good-sized building envelope, making it ready to build your country escape. Wildlife abounds, including local gang-gangs and a friendly echidna, and a large dam also features on the land, perfect if you plan to have a garden or some livestock.

While the building envelope is slightly sloping toward the road, the site cut would be minimal and allow the residence to sit in the landscape. The surrounding acres to the residence are ready to explore with granite rock formations and light bushland featuring in the elevated back of the block.
