Roll up your sleeves or take the land option

This rare parcel of land is situated approximately 29kms South of Meningie and is a generous freehold title of 1,919sqm. Absolute Coorong lagoon views and no neighbours for miles! Surrounded by crown land, you have the most isolated and peaceful environment to explore the wonders of the Coorong, and be surrounded by the multitudes of flora and fauna; yet still so close to amenities. The shack, 'Villa de Yumpa' could tell some stories. It needs some work and may need to be demolished, but it's looking for someone to roll up their sleeves and make it their holiday getaway destination (subject to consents); or demolish and use the land to build your dream Coorong home on one of the most iconic parcels of land the Coorong has to offer. Tightly held with the same family since 1958, it's now time for someone else to enjoy and make lasting memories.

Please note: The structure is not on true boundary and encroaches crown land. Photos of the shack available on request.
