Prime Investment Opportunity

Single Title Allotment – 1.18HA with Proposed 32-Unit Development

Unlock the potential of this expansive 1.18-hectare site with plans for a proposed 32-unit development, offering access from both Marys Hope Road and Hone Road. This is an exceptional opportunity to invest in a large-scale project in a sought-after area.

Strategic Location: Perfectly positioned with easy access to major shopping centers, schools, essential services, and recreation areas.

Future Development Potential: The single title allows flexibility for unit development, subject to council approval. This is an opportunity to create a community that caters to a growing market.

Captivating Views: The elevated site offers beautiful vistas over the surrounding area, adding value and appeal for future residents.

Ease of Access: Dual road access enhances convenience and flexibility for future infrastructure needs.

Don't miss this rare opportunity to secure a prime allotment with enormous development potential. Act quickly to seize this investment opportunity that promises strong returns. Contact us today to explore how you can turn this vision into reality!
