This block situated in Stage 5 of the now filling Rise Estate is one not to miss. Formerly known as Walker Crescent the block has had a change of identity to Lot 158 Beard Road. With title not too far away, this is the ideal time to secure yourselves a lovely big block of 800mts square metres. The obvious main feature is the location literally a stone's throw from the new Coles shopping complex. All services will be available (but not connected) Call today for more details
