What An Opportunity!

Large allotment set close to town and right next to the Castlemaine Secondary College. It offers a convenient central location and has a beautiful setting backing onto a winter creek with established native trees and shrubs creating a country feel. At 1575m² (approx) this is a huge block so close to Castlemaine's CBD. With less available land for development in this setting, you won't find another like this. Titled now and ready to build on, all town services are connected.
