Lots to love About This Land

Beautiful newly constructed blocks ranging from 608 m2 1013 m2 in size.
Regular rectangular in shape and most have near flat building sites.

All have services of Town water, Electricity, Sewer, Natural Gas and NBN available for connection.

Some of the blocks have lovely rural views of grazing flats but all provide a sense of openness.

This release is part of the Averys Rise Estate which is surrounded by the Kurri Kurri Golf Course, Environmental Reserve, and grazing land.

These blocks are constructed and expected to be registered late January/early February 2025.
