Coming in 2025

Coming soon, as developed by Alcoy Investments.

Pre-register for the best opportunity to secure a newly built modern home that will be the envy of many.

These three-bedroom homes will offer the latest in modern architecture. Plans are currently in for final DA approval. Pre-registration is encouraged as once the DA is released these properties are sure to not last long.

Pre-release packs will be issued in early 2025 to allow potential purchasers the opportunity to make an informed decision.
