Build your perfect dream home on this idyllic, private block. Spanning just over an acre and a half, this generously sized block has been tidied up and is ready for its next owners to capitalise on the beautiful location surrounded by nature. Fortunately its private location is only about a 12-minute drive from the centre of nearby Bairnsdale, meaning you never have to travel far for all of your needs. Having water and septic sewerage already connected to the land, power to the boundary along with recent drainage works and good fencing already in place, a lot of the preparations for your new home are already done! This gorgeous property also includes an established orchard complete with an abundance of citrus, apples, olives and stone fruit just to name a few, making it the ideal starting place for anyone considering building their dream home. Be sure not to miss out on this brilliant opportunity! View the Due Diligence Checklist: consumer.vic.gov.au/duediligencechecklist
