Just shy of one acre, this well located block is nice and close to town but also feels a world away from the hustle and bustle! Set on a high part of the street, you have the lovely coppermine creek running along your back boundary, and recently sealed road along the front boundary. The block needs some clearing / developing but has a good rocky base which makes a solid foundation for your new home to sit on! Call today to discuss all the finer points and get your home building plans underway! JANESEA BIDGOOD 0429 855 734
