Located in prime location of Winton, this is the ultimate opportunity to build you dream home or secure a fantastic location for Airbnb potential. Straight out the door and minutes down Winton-Glenrowan Road you are onto the Hume freeway and off to Melbourne or Sydney. Alternatively while home you are surrounded by nature, peace and beautiful scenery. With the local school close by, Benalla CBD being only 8km away and Wangaratta CBD only 20 minutes up the Hume highway, you really do get the best of the both worlds being here. With the Winton race track located at your back door, the annual Winton raceway brings for a great day out only minutes from your home. Another great opportunity would be to Airbnb during the Winton raceway, or anytime of year as the great country escape. The block has services of power, phone and some fencing already completed.
