## **CHEAP AS CHIPS**

'Snowies' 505 acres (204ha)

Located approx. 9km northwest of Coolamon, 'Snowies' has been run as a cropping property. The red loam soils are ideal for cropping and this block would make a great addition to an existing cropping enterprise.

Key investment Highlights:

- 2 x self-emptying silos
- main road frontage
- large open paddocks with very few trees
