## **Intergenerational Midlands Property**

Rarely does a chance to acquire property in the York Plains area present itself.

"Craigow" is an exceptionally sound holding approximately 10km from the Midland Highway.

The majority of the property is arable. It is high carrying capacity country holding excellent pasture species. The annual draft of "Craigow" lambs are always first class, weaned at excellent weights due to the quality of the property.

Water for stock comes from Kewstoke Creek and Kittys Creek, with a bore supplying additional water to troughs.

Improvements include a comfortable 3 bedroom weatherboard house, quality steel frame 2 stand shearing shed, steel yards, hay shed, 2 Sherwell silos and other outbuildings.

"Craigow" has been in the same family for 120 years, do not miss this opportunity.
