Stunning Rural Retreat: Your Dream Property Awaits!

Discover the perfect blend of modern living and rural charm on this breathtaking 118-acre property, nestled at the base of North Brother Mountain. As you approach the home, be captivated by its impressive design and the stunning mountain backdrop.

Prime Location: Enjoy the serene beauty of Watson Taylor Lake and 695 meters of river frontage along The Camden Haven, all just 15 minutes from the pristine beaches of North Haven.

Spacious Living: This home boasts 3 large bedrooms and an expansive open-plan living area. The stunning gas kitchen features excellent storage and a casual dining space with amazing views.

Outdoor Oasis: Entertain in style on the outdoor patio, overlooking rolling pastures and offering unique vistas of North Brother Mountain.

Water Access: With direct access to the river, you can enjoy summer swims, boating adventures, and explore beautiful waterways leading to the ocean.

Self-Sufficient Living: Experience off-the-grid living with a solar system and full battery setup, plus a dam providing ample water supply.

Additional Storage: A large barn-style 3-bay shed, and another 3-bay shed offer plenty of storage for your equipment and hobbies.

Make the sea change and tree change you've always dreamed of, combining modern luxuries with a picturesque rural lifestyle. Don't miss your chance to inspect this incredible property today!
