Rare Earth – Breathtaking Views

This is a once in a lifetime opportunity to secure an absolutely, unique and stunning property tucked away in the centre of the very tightly held picturesque Silverton and Deep Creek area.

This rare, one hectare (2.47 acre) property, is located just over 7 kilometres east from Cape Jervis and just over an hour south of Adelaide on the magnificent Fleurieu Peninsula, offering privacy, seclusion and serenity.

Hidden away this lovely western red cedar cottage comprises 3 bedrooms, kitchen/dine, large living area with combustion heater, with front and rear decks and all interconnected with veranda, pergola and a large 7.5 x 7.5m garage and storage shed.

The property is fully fenced with ample rainwater and a dam.

Words fail to describe the simply breathtaking picture-perfect elevated views with sensational views over the surrounding rolling hills and countryside together with amazing vista's through to Kangaroo Island and the glorious Southern Ocean.

You will be memorised at the pristine topography.

This unique offering with its natural beauty is truly something to behold and will certainly impress those who desire something a little different and an envied lifestyle.

This is as "Rare as hen's teeth."
