Sneak Peek at The Stables – A 14-Acre Multi-Functional Property in Stunning Sheffield

Set atop a hill with 360-degree views, The Stables offers one of the most picturesque settings in the Sheffield district, with sweeping vistas to the iconic Mt Roland and beyond. This unique 14+-acre property is a true gem, perfect for those seeking space, privacy, and endless possibilities.

The property features two separate two-bedroom homes, each designed for disability access, making it an ideal choice for multi-generational accommodation. Enjoy comfort and privacy, with an additional newly built manager's home boasting jaw-dropping views across the valley and hills.

True to its name, The Stables offers multiple horse stalls, ready for your equestrian pursuits or conversion into garaging or workshops. For those who love to entertain, there's a massive pool room and bar, perfect for hosting the largest country gatherings.

But that's not all – this property hides several hidden gems, like a wine room, and a Texan Ranch-inspired bar and pool room, just waiting to be discovered.

This stunning property is a once-in-a-lifetime opportunity. Don't wait for the full pictures, Call today to schedule your private inspection and uncover the secrets of The Stables.
