~ DJAWULA~

~ DJAWULA~Escape to your own slice of paradise atop Saddleback Mountain, where the rolling countryside flows down the mountain to meet the sparkling sea. "DJAWULA" is an extraordinary North Facing vacant 36.79ha rural property perfectly positioned to capture sweeping views that stretch from Kiama to Wollongong and beyond. As you wind your way through the picturesque farmlands leading to the property, the stress of the day melts away. The soothing landscape of lush green hills, dotted with grazing cattle and rustic charm, invites you to embrace a slower, more peaceful pace of life. Perched in an elevated and private location, this property offers an unparalleled sense of tranquility and endless potential. It's a blank canvas waiting for your dream home to take shape-limited only by your imagination and what can be created in this stunning environment. Imagine waking up to the soft hues of sunrise over the ocean, the morning mist gently lifting from the valleys below, and the breathtaking panorama that will greet you every day. The vibrant villages of Kiama and Gerringong are just a short drive down the mountain. Here, you'll find cozy cafes, boutique shops, excellent schools, and a convenient train station, providing the perfect balance of seclusion and accessibility. For beach lovers, the South Coast's most beautiful shores are just five minutes away. And all of this is less than two hours from Sydney, making it an ideal retreat or the perfect opportunity for a transformative sea-tree change. Properties like this, in such a breathtaking and elevated position, are truly a rare find. Here is the chance to turn your dreams into reality. Contact us today and experience the unmatched beauty and potential of Saddleback Mountain living. Land: 37 ha / 91 acres
