New luxurious townhouse minutes to The Entrance beach

This immaculate and newly built townhouse is a statement in luxury and is perfectly set in a boutique complex of only three. The interiors showcase premium finishes throughout, with effortless outdoor flow to a private, sunny entertaining area.

From the timber flooring to the stunning cabinetry throughout, the property is complemented with style and grace. Open-plan in design the home features an open dining and lounge area adjacent to the kitchen; leading out through large sliding glass doors to the al fresco paved entertaining terrace, lawn and low maintenance gardens.

Plenty of room too for the adults to entertain family and friends with a BBQ or cocktails or quite simply a space in which to relax and enjoy the quietness and serenity of this very private garden.

Designed as the heart of the home the magnificent marble kitchen shines with style and practicality. Free-flowing and packed with the latest features, it offers stunning marble bench tops, farmhouse sink with stylish tapware, 900mm gas stove and deep soft closing drawers.

On the upper level of the home are four generous bedrooms with quality carpet, built-in robes, the master suite with walk in robe, built in cabinetry and a luxurious en-suite.

Both upper-level bathrooms are fully tiled with frameless glass showers and the main bathroom houses a full bath. The laundry room on the entry level of the home is family-sized with marble benchtops, stylish tiles and an additional guest w/c.

Additional features Alexa voice controls the lights and opening/closing the garage. Daikin ducted air conditioning with external access and climate control anywhere in the world. Remote intercom access control to the main entry door and garage with remote live access to security cameras. Single lock up garage with internal and drive through access.

In a secure boutique complex of only three townhouses, it is located in one of the quietest but most convenient pockets in The Entrance. Positioned in a quiet enclave, this impressive home is moments to The Entrance beach and ocean baths, Tuggerah Lake waterfront and walking trails and local cafes and restaurants.

If you are looking for a lock up and leave low-maintenance family home to simply move in and enjoy, an oasis of peace, privacy and tranquillity, then this is it.
