Located within the highly sought-after Pinewood Primary and Brentwood Secondary College zones, this home offers outstanding flexibility.

Retaining the luster of its solid construction, the home has a striking street-front presence. Cascading corner windows flood the home with natural light, drawing you into a welcoming lounge and dining area. The brand-new kitchen is a showstopper, featuring premium high-end appliances, including a 900mm electric oven, gas cooktop, and dishwasher, as well as abundant storage.
