Fabulous Location!

Set over two levels and enjoying spectacular river and mountain views is this well located townhouse. Set in a desirable part of Bellerive, the home consists of a spacious open plan living room that enjoys those views! There is a large dining room ideal for family get togethers and there is a timber kitchen. Both bedrooms are a good size and have built in robes. On the lower level there is a rumpus room/sitting area that could potentially be used as a third bedroom. Completing the lower level is a large single garage with ample storage and second toilet.
