The pinnacle of city fringe living, this as new residence exhibits the care for quality and practicality synonymous with Mancini Made and Haskell Architects, placed mere seconds from the buzz that sees Swan Street so adored. Nestled securely among a boutique, 15 home complex, a tri level plan places the finer details at the fore, with jamb-less doors, abundant storage, and a fitted workstation headlining a list of inclusions seldom seen at its accessible price point. Serviced by a trendy bathroom and open robe, a broad lower bedroom complements a luxe, top level master, with mirrored, floor to ceiling robes and a chic ensuite perfect accompaniments to a scenic terrace. An accomplished entertainer, light filled living and dining zones neighbour a Miele kitchen primed for the avid home chef, while other highlights span reverse cycle heating/cooling, engineered timber floors, a European laundry, Crimsafe screen, car space, and security entry. Unrivalled in its amenity, Burnley Station, multiple tram routes, CityLink, and Yarra trails ensure a quick commute to Melbourne Park, the MCG, and city centre, with peaceful parks, lively Bridge Road, Gleadell Street Market, and acclaimed schools all just steps away.
