Easy Living With An Envable Lifestyle

This spacious townhouse is conveniently located within close proximity to shops, cafes and lifestyle attractions, and offers the perfect balance between size to spread and minimal upkeep. Quietly tucked away in a small complex of just four, the property is freestanding, meaning no common walls for added space and privacy from your neighbours. Inside you will find an open plan living area with tiled floors and a brightly lit kitchen, three bedrooms including main bedroom with ensuite and walk-in robe, plus a large second bedroom to suit a teenager needing that extra space, and a third toilet off the laundry. There is a timber deck leading to an easy care yard to suit a pet or kids to safely play. Lock up garage with handy visitor car space adjoining so guests can easily come and go. Within a five minute stroll from your door you can be walking or cycling along the picturesque lakefront pathway, or choose from a variety of shops, eateries and clubs all just 15 minutes walk away. With less to maintain and more to enjoy, here you can live the lifestyle you've been waiting for.
