Desirable Living with Designer Space

Expressions of Interest

A haven for relaxed family living, this sophisticated home offers a dream lifestyle with sought-after amenities at your fingertips. Quality timber floors and a cosy fireplace enhance the spacious living and dining room, served by a gourmet kitchen designed for culinary enthusiasts, appointed with a stone-topped waterfall island, stainless-steel appliances, and modern cabinetry that provides excellent storage solutions.

A ground-floor bedroom provides flexible options, featuring a built-in robe, a stylish bathroom, and private access outdoors. Take the stairs to the master bedroom with a modern ensuite finished with a bathtub, double rain shower, and a stone-topped vanity with dual basins. Two remaining bedrooms, each with a built-in robe share a contemporary main bathroom echoing the same quality finishes.

Outdoors, the easy-to-maintain courtyard is bathed in sunshine and features a large open-air deck perfect for casual meals right through to larger gatherings and social events. Highlights include ducted heating and air-conditioning, under-stairwell storage, a water tank, and a double auto garage with internal access.

In a fantastic location, the home is zoned for Belle Vue Primary School and Kew High School, walking distance from Marcellin College and Koonung Creek Trail, Bulleen Park & Ride, with seamless access to Bulleen Plaza, Macedon Square, Westfield Doncaster, the Eastern Freeway and North East Link once completed, extensive parkland and the banks of the Yarra River with scenic trails to explore.
